THE ALL-ORANGE STICKER SET

One logo everywhere: your **thin-ring badge**, black art on your orange, warm and inviting, no dark boxes. The seamless no-ring version is gone. Sayings are your picks.

MOCKUP Real new logo, your brand fonts, live QR. Nothing printed yet.

1 · LOGO

The thin-ring badge, die-cut to a circle.

LOGO BADGE

NOTES & MORE TYPES TO CONSIDER

LOGO

Only the thin-ring badge, on every sticker. No dark boxes.

WEB ADDRESS

`jerseycitybitcoin.com` , verified live.

MORE SAYINGS

Easy to make more one-liners on this same template. Just name them.

COLORS

Orange sampled from the badge disc (`#f08c0f`) so it merges into the ground. Art/text black.

TYPE

Bebas Neue + Barlow Condensed, your fliers' fonts.

MORE TYPES

Die-cut Liberty silhouette, holographic edition, "new to Bitcoin?" onboarding QR.

Tell me any tweaks, then I produce print-ready files (300 DPI + vector, bleed + cut-line) for the cheapest printer from the quotes.
